Letter re: Extention to file Opposition

Dear Judge Torres,

On Friday, January 6, 2017 I reached out to the deffendant lawyer for the Department of Education requesting an extention of time up-until the Middle of February 2017. The lawyer acepted it, but when I asked him to send an ~~note~~ electronic note to you saying in writing that he is granting me the extention of time. He told me that he can not write a note in my behalf, because it's not the policy of his lawfermn to do that, because I am the person who he is fighting against. I was advised from the Pro Se office that the DOE lawyer can write that note and send it electronicly.
